The discussion consumed over two hours, and the committee decided to report the bill favorably.

The discussion consumed over two hours, and the committee decided to report the bill favorably.

The discussion consumed over two on the north, where I kept the United States, Government supplies, On going into the office to see the Major he informed me that the Confederates were about to evacuate the city, and that such as Professor Richard A. Proctor, which has long been a misdemeanor in this state; which has long been a misdemeanor in this after it became a prison and I was in the state; which has long been a misdemeanor in this state; and we carnestly hours that the page of the building or have aught to do with the suit it became a prison and I was in the state; the building or have aught to do with the suit the page a prison and I was in the state; the building or have aught to do with the suit the page a prison and I was in the state; the building or have aught to do with the suit the page a prison and I was in the state; the building or have aught to do with the suit the page a prison and I was in the state; the building or have aught to do with the state; the building or have aught to do with the state; the building or have aught to do with the state; the building or have aught to do with the state; the building or have aught to do with the state; the building or have aught to do with the state; the building or have aught to do with the state; the building or have aught to do with the state of the state of the state of an inverted it into as the the cause of morality, and in behalf waters, and the cause of morality, and in behalf waters, and the cause of morality, and in behalf waters, and the cause of morality, and in behalf waters, and the cause of morality, and in behalf waters, and the cause of morality, and in be

with all the hospitals, he also turned over to me to do the best I could to preserve them. This was at midnight exactly, and seven hours before any United States troops entered the city. I witnessed the firing of the large tobacco building on the diagonal corner from my storehouse and the hypring of Penny through the streets of Boston, handand think such scenes and incidents ald be forgiven, it.
Yours respectfully,
GEORGE W. LIBEY. should be forgiven, if not forgotten.

THE FREE-PASS MATTER. Evidence Concluded and Report to be

The special House committee appoint-

and that there was no harm in it. He (Dickey) accordingly complied with the

with my best wishes, and believe me to be, sir, your obedient servant, I am, yours respectfully, W. H. Gray.

| 1000. | It is not political or any sentimental sympathy with the South, "as such," | that prompts me to write as I believe the committee and author of the resolution directing the investigation.

The opinion obtains that the commit-

cuit Court of the county of Londoun on ine 25th day of October, 1887. Told against Gallego-Mills Manufacturing Company, Argued by Colonel John H. Guy for appellers and Colonel Charles V. Meredith for appellant.

In Payor of a Primary. A very largely-attended and interesting

meeting of the Union Democratic Club was held last night. A resolution was unanimously adopted to the effect that the club favors a primary to nominate Democratic candidates for the spring

TICKET-SCALPING.

The developments in the recent trials railway conductors in Philadeli and elsewhere for embezzlement bring to light a new feature in the so-called business of ticket-scalping, and explain He was a Federal officer paroled very clearly one of the principal reas for the crusade which is being waged by depot of supplies which their friends in the North were allowed to send the whose beast it is that they can discount posts. Clothing, boots and shoes, canned There was for a long time an element of mystery in this peculiar traffic, which was partially dispelled when the methods

courts and by the clear expositions of railway officers on the subject. It is apparent that the scalper derives some of his support from some of the various links, large and small, of the longer lines between distant points. As a matter of course, rates by the various lines between important centres must be unitheir greater length and time of transit, could not, and very properly so, hope to relief associations and private parties in the North.

The Confederates exercised the same of the scalper, who buys for the scalper, who buys for the confederates exercised the same of the scalper, who buys for the scale of th privilege in sending boxes, &c., to their intending traveller who falls into verting the traveller from more direct lines, and pocketing a fair profit on the transaction, although the passenger may

> nitude which his profits must assume to maintain him in the traffic, and these railway employees retained the tickets collected from passengers and sold them at nominal rates to the scalpers, who recarrying two or more passengers on the These disclosures emphasize with pain

new chapter in the history of the evacua- scalping enterprise. For years past it has been the aim of railroad companies A VALUABLE CONTRIBUTION TO THE HIS- so to adjust their rules and regulations as to relieve conductors from even the Whilst the removal of the Libby Pri- slightest imputation of dishonesty. son is so much talked of through the Whether this has been from motives of press I do not think it inappropriate in self-interest or not is immaterial to the

Marks and Deformities That Have Been Due to Impressions Made Upon a Mother's Mind.

The old saying that facts are stronger than fiction finds ample proof in some articles that have recently appeared to English Medical Journals of the very highest standing. Observa-tions and experiments upon both human beings and animals prove beyond question that the popular old-time belief that impressions made

carlous marks and deformities upon the child when born. For instance, a woman in Lincoinshire who had en dreadfully frightened at sight of a mouse gave birth to a mate child hav-

ing the perfect imbright crommon on its back. Again, a lady living in London, while out for exercise one day, was ed to investigate the alleged abuse by run over and her left leg broasn by a Hansom members of that body of the free-pass privilege met yesterday morning and had a deformed left leg, a large bunch and miAs the taking of testimony.
